

MT-4310W

Specification	Tablet (MT-4310W)
CPU	Intel Cherry Trail x5-Z8350, 4C, 1.44 GHz up to 1.92 GHz
OS	Windows 10 IoT 32 bit/64 bit/Windows Embedded 8.1 Industry 64 bit
LCD	1280 x 800, 10" TFT LCD with LED backlight (default 1024 x 768 resolution)
Brightness	350 nits
Touch input	PCAP touch w/multi-touch support
Memory	2GB DDR3L SDRAM
Storage	64GB eMMC
Wireless connectivity	WIFI 802.11abgn 2.4 GHz / 5.0 GHz dual band + BT v4.0 ; optional 3G
Camera	8MP AF rear facing camera
Speaker/Mic	Speaker/Mic combo connector + built-in speaker
Sensors	G sensor
I/O	micro-SD, micro-SIM, Power Jack, micro-USB
Buttons	Power
Battery	4800 mAh (minimum)

Physical Dimension (Tablet only)

Dimension (W x D x H in mm)	260.7 x 16.8 x 175
Weight (N.W. in g)	750

Dock Station

USB port	3 x USB 2.0
LAN port	1 x GigaLan
COM port	2 x DB9
CR port	1
Built-in printer	3" WIFI 2.4 GHz/5.0 GHz thermal printer (200 mm/sec) (DS-220/DS-320)
Tablet charging	YES

Options

TA-220	3T MSR and/or RFID supporting MIFARE Classic 1k & MIFARE Ultralight
TA-300	MSR and/or Fingerprint Sensor
TA-500	2 nd battery (5000mAh) with shoulder strap for MT-4310W/H
Pistol Grip (PG-200E)	Swappable battery module (5000 mAh) & optional 1D or 2D barcode scanner
Hand Strap	Hand Strap for MT-4310W/H
Charging Rack (CS-100)	Charging rack for up to 4 x removal battery
Charging Rack (CS-200)	Charging rack for up to 4 x MT-4310W Tablet

Note:

MT-4310W/R : MT-4310W Tablet + PG-200E Pistol Grip
 MT-4310W/H : MT-4310W Tablet + Hand Strap

The Best Companion for Mobile Retailing and Hospitality

MT-4310W

Ergonomic and Versatile Mobile

MT-4310W (U.S. Patent 9436226 B2) is specifically designed for both retail and hospitality applications. The retail-ready 10" mobile POS runs on the latest Intel Cherry Trail processor supporting MSR/Rfid attachment, 1D or 2D barcode scanner built-in with pistol grip, and an optional dock station to convert the device into a full-fledged, stationary POS.

Retail-ready Mobility

The latest Windows based mobile POS MT-4310W is proven to be retail-ready with a Corning Gorilla Glass touchscreen display to ensure its durability and improved drop resistance.

Ergonomic Design

The retail package includes a detachable pistol grip (PG-200E) with optional built-in 1D or 2D barcode scanner. Its ergonomically designed pistol grip shape handle enables the user to easily carry the tablet.

Extra Protection

The hospitality package comes with a practical hand strap, which prevents the tablet from dropping on the ground accidentally and eases the user's fatigue during the hours of work.

Long Hour Operation

MT-4310W is built with advanced power saving technology that provides long battery life for daily operation. For store owners who require even longer battery life for more intensive usage, the pistol grip also houses a removable battery that can vastly extend the overall operating time.

Versatile Function

The optional dock station for MT-4310W integrates a wireless 3" thermal printer and full suite of connectivity options such as Serial ports, USB ports, LAN port and CR port. Once the tablet is integrated with its dock station, an all-in-one POS is instantly at your disposal. MT-4310W offers more than just mobility but versatility.
