## RT-1016A

Fanless POS Terminal

The **RT-1016A** radiates in its new design – featuring an ultra-slim and sleek look that exhibits elegance. It is uncompromising to the space requirements and provides better cable management and easy maintenance. The new RT-1016A is taking POS terminal design into the next level, setting your brand image apart from the others.

Full HD  
15.6"

### Slim & Stylish Look

With stylish, fluid contours for its base and true-flat design, the RT-1016A Series has 15.6" PCAP touch screen, and full suite of ports that are hidden in the clean rear cover. No screws can be found on its surface maintaining a neat and sleek look.

### Patented Fanless Technology

The patented fanless technology allows the terminal to run quietly in all kinds of harsh conditions and – at the same time - provides a long service life.

Fanless Technology

Dust Resistant

Water Resistant

Money Saving

### Clean Cable Management

Advanced cable management design delivers a truly clutter-free station.

### Serviceability & Shipment with Ease

Rear cover can be removed easily and without tools, thus allowing for faster installation and serviceability. The unit can be shipped with line display or 10.1" 2nd customer facing LCD display attached and folded, saving deployment time as well as shipping costs.
